

If you have any other appointment or service scheduled due to this voucher (doctor's visit, x-ray, etc.). You are required to inform us at least 24 hours in advance for another voucher to be generated for your next appointment or service. Failure to give proper notification of any scheduled appointments or services may cause a voucher to not be generated which may result in you not having PRC benefits for this scheduled service. You may have to reschedule the services or be responsible for all costs that are associated with the appointment or service which you did not receive a voucher for.
